CANADA

INTRODUCTION

Canada is a country in the northern part of North America. World's second-largest country by total area, Canada has the seven-teenth-highest nominal per-capita income globally as well as the thirteenth-highest ranking in the Human Development Index. Its advanced economy is the tenth-largest in the world, relying chiefly upon its abundant natural resources and well-developed international trade networks. Canadian Permanent Residency: Permanent residency in Canada is a status granting someone who is not a Canadian citizen the right to live and work in Canada without any time limit on their stay.
